St. Paul Centennial Engraved Brick Campaign

In conjunction with the St. Paul Centennial Celebration scheduled for March 2010, the St. Paul Men's Club has initiated an engraved brick campaign. This campaign will provide the opportunity for members and former members of St. Paul, or other interested individuals to purchase engraved bricks in honor of or in memory of families, friends, or groups. Bricks may also be otherwise personalized based upon the desires of purchasers. The bricks will be put in place at the front entrance to the church.

Engraved bricks will be available for purchase in the amount of $75 per brick, which includes all costs incurred. The bricks will be 4X8 inches in size and will accommodate three rows of text, a maximum of 18 letters per line, for a total of 54 letters per brick. Spaces count as a letter. A certificate of the engraved brick(s) will be provided to the purchaser for their use.

The deadline for purchasing bricks in time for the centennial is **NOVEMBER 15, 2009**. Bricks may be purchased at any time after the centennial celebration. Individuals or groups may purchase any number of bricks. The cost of bricks can be tax deductible. Additional order forms may be obtained from the church office.

For further information or questions call: Ralph Boatman (501) 868-8802
